

# Instructions for using the Office of Planning and Zoning Comprehensive Zoning Web Application

Steps:

1. Start from the County website, go to “Agencies” and click on “Planning and Zoning”. On the left side of the screen, click on “Long Range Planning” and “Comprehensive Zoning”.  
(<http://www.aacounty.org/PlanZone/LongRange/CompZone.cfm>)
2. Scroll down to the tan box and click on the link in blue

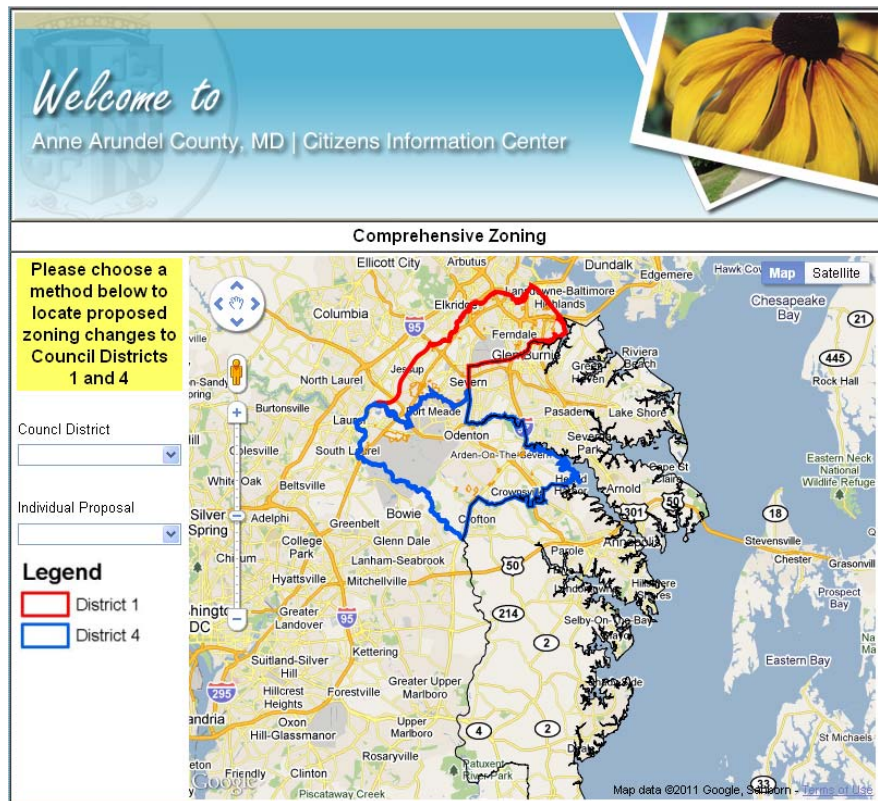

Updated 2/15/2011

To view a list of comprehensive zoning proposals in Council Districts 1 and 4, click on the link below:  
[Zoning Proposals Districts 1 & 4 \(revised 2/11/11\)](#)

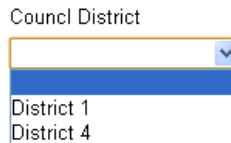

To view maps of the zoning proposals in Districts 1 & 4, click on the link below:  
<http://gis-world.aacounty.org/crzgoogle>

To view recommendations on all of the comprehensive zoning applications filed in Council Districts 1 and 4, click on the link below:  
[Applications in Districts 1 & 4 \(revised 2/11/11\)](#)

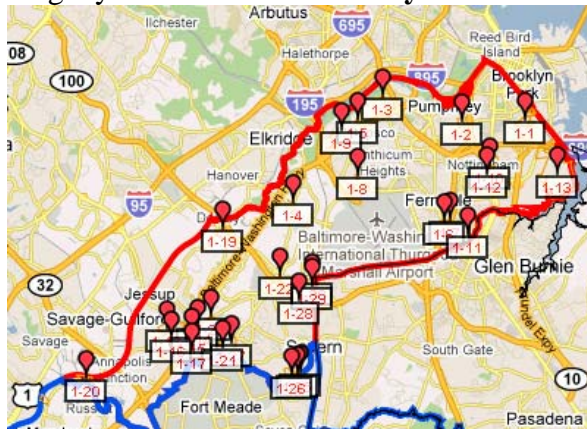

3. You will be taken to the Comprehensive Zoning Application which looks like the screen shot below.

3. This site will be used to display information throughout the Comprehensive Zoning process.
4. Use the drop down menus found on the left side of the screen to find information for either “Council District” or “Individual Proposal”.
  - a. Council District Option – The drop down menu will allow you to choose a District being reviewed.

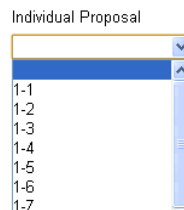

The map will then zoom to the extents of the council district. Red push pins will appear on the map depicting the locations of the proposed changes to the zoning layer **for that district only**.

You can zoom into the map using your mouse wheel or the zoom control (+ and – signs) on the left side of the map. You can pan across the map by holding the left mouse button down and dragging in the direction you wish to move.

- b. Individual Proposal option

From the Individual Proposal Dropdown select one of the choices in the list. The map will then zoom to the location of the selected proposal number and a single push pin will appear on the map. All other proposals will not show up.

c. Retrieving information about a proposal.

Click on a proposal push pin and a bubble will appear.

A table will be displayed. The Blue “HTML” will take you to a page showing the project details, and the blue “PDF” will take you to a detailed map of the project.

**Make sure that pop up blocker turned off.**

If you have any questions, please feel free to call the GIS Section of OPZ at 410-222-7744.
